BLUES DEFEAT SOUTHS IN FIRST QUARTER

Tumby Bay, the new team in the Port Lincoln Football League, soundly defeated Lincoln South in their first game for the season on Centenary Oval last Saturday.

Tumby Bay cut loose from the opening bounce and were 10.6 ahead after the first quarter. With Young and Dunn opening up the play with fast skilful handball, and the Tumby team backing up at every opportunity. In the first term Tumby piled on 10-7 to the Eagles solitary point. This was mainly due to a brilliant exhibition of roving from Roger Dunn, who appeared to be everywhere. There is always a lot of ifs and buts in these first games, but you must give credit where credit is due and Tumby Bay deserves full marks for its brilliant debut in the Port Lincoln Football League.

Tumby Bay	10.7	12.9	15.12	16.15	(111)

TUMBY BAY PROVE TOO SPEEDY FOR DEMONS

Tumby Bay outlasted Waybacks to pile on 36 points in the final quarter to double the Demons score in the match at Tumby Bay. This was the second win for the season for the Blues in as many matches. This game was looked on by most people. Many thought the steadiness of Waybacks would be too much for the Blues. It was also thought that the Demons would perform much better than they did although they were playing on Tumby's home ground. Peter Carr, rucking was in the game all day and must rank high in Tumby's best player list. Roger Dunn again roved brilliantly and always looked to drive his team forward and David Houston was as solid as a rock in defence.

Tumby Bay	2.0	4.8	5.9	10.15	(75)
Waybacks	0.3	2.3	3.6	4.9	(33)

TASMANS SNATCH VICTORY ON THE SIREN

Saturday's thriller on Centenary oval between last year's two premier teams Tumby Bay and Tasmans, was won on the final siren from a hurried kick off the ground. TUMBY BAY WIN HARD FOUGHT MATCH

The large crowd that braved the very cold weather and made the trip to Tumby Bay last week, certainly got value for their money. These two teams when they clash certainly draw large crowds and Saturday was no exception.

Tumby Bay always seemed to be handling the bigger oval better than the visitors, but the red and whites were able to stay close enough until Tumby in a brilliant last four minute burst got up to win in a drawn out last quarter. Roger Dunn and Doug Young were two of Tumby Bay's very best players.

TUMBY BAY IN MIGHTY FORM

Tumby Bay regained their confidence against Marble Range in a fast, high scoring game at Wangary. The match commenced with Marble Range having first use of a gentle breeze. Tumby were first away however scoring smartly through Henricksen. Young at centre half-forward started creating many opportunities for the Blues with good handball and play on football. Both O'Connell and Henricksen were a constant threat for the Blues up forward and together they booted thirteen goals. Moore and Houston were good defenders and Doug Young continued his excellent form.

TUMBY BAY TOO FAST FOR EAGLES IN SEMI-FINAL

Tumby Bay and Lincoln South staged a real thriller at Centenary Oval in the first semi-final of the Port Lincoln Football League on Saturday in front of a good crowd.

The Eagles made a great recovery after half time but failed by 18 points as Tumby controlled the last quarter. Doug Young's game at half forward was terrific. Young combines brilliant high marking with dashing play on football, leaving his opponents for dead. Kevin Moore at centre half-back was nearly as effective as Young, with strong marking and rebounding a feature of his game. Roger Dunn was his team's inspiration. Coming back from a serious knee injury, Dunn played a great captain's game.

Tumby Bay	4.2	6.9	7.11	10.15	(75)
Lincoln South	3.0	3.2	7.7	8.9	(57)

Best: Tumby Bay – Young, Moore, Dunn, K.Berryman, Holloway, Carr, Houston.
Goals: - Young 5, Dunn, Murphy 2, Henricksen.

DOUG YOUNG WINS MAIL MEDAL

Tumby Bay's Doug Young has won the mail medal for the fairest and most brilliant player in the Port Lincoln Football League for season 1962. The Double Blues centre half-forward has had a magnificent season and was a deserved winner of the award.

CAN TUMBY BAY TOPPLE THE DEMONS

This week sees the elimination preliminary final on Centenary Oval. The game should draw a very large crowd that may exceed last Saturday's record attendance for a first semi-final of 2,500. Both the Double Blues and the Demons are very anxious for a win.

Although Waybacks finished the minor round in top place they are by no means sure of themselves in this week's game. With Dunn and Berryman full of guile and courage and Mail Medal winner Young in top form the Blues look to have an advantage across centre and in the forward lines. And it's this area where the likes of O'Connell, Henricksen and Young will enable Tumby to get home by a small margin.

WAYBACKS SHOW FIGHTING SPIRIT TO WIN

Tumby Bay have been eliminated by the Demons in one of the roughest games of the season. After holding Tumby to 1-5 in the third term, Waybacks unleashed a scintillating final ten minutes in the last quarter to add 6 goals 1 behind and get up from a seemingly impossible position to win by 7 points in front of another record crowd.

Fights instead of football were the order of the day. At one stage in the second quarter about 20 players were involved in an all in brawl with the central umpire appearing to lose control of the match. Favoured by a strong breeze in the first term it was all the Blues with Ken Berryman dominating centre and giving his forwards plenty of opportunity. Doug Young was out of touch however and it was left to the rovers to do the bulk of the scoring. Dunn quickly had two goals on the board and at quarter time the Blues held a handy 29-point advantage. Waybacks responded in the second term that was dominated by punch-ups, which appeared to lift the Redlegs and at half time the margin was back to 15-points. The Demons set-up their victory in the third term when they restricted the Blues to just 1-5 but the Tumby side were still leading by 26-points at the last change. Three missed chances by the Double Blues early in the last quarter could have sealed the game but it was not to be and Waybacks kicked six unanswered goals from this point on to record an amazing come from behind win. Ken Berryman was the outstanding player on the ground. Ken has tons of courage and can kick either leg. Roger Dunn who contributed three of Tumby's six goals played his usual game to be high among the Blues best with good defenders Kevin Moore and David Houston doing their best for their team.

Waybacks	0.1	3.6	3.6	9.7	(61)
Tumby Bay	4.6	5.9	6.14	6.18	(54)

Best: Tumby Bay – K.Berryman, R.Dunn, J.Buckingham, K.Moore, D.Houston, P.Carr, G.Blight.
Goals: - Dunn 3, Young 2, K.Berryman.

The Double Blues have performed excellently in this its first season in the Port Lincoln Football League. The club officials and players have proved their worth and they look upon this season as a measuring stick for future years. The Port Lincoln Football League has been pleased to have this club, and many friendships have been made between club mates of kindred clubs. Doug Young won the Mail Medal for his club and David Houston has done an excellent job in coaching the senior colts from a 20-goal push over team early in the season to a serious threat in this year's colts finals. Roger Dunn has courageously captain-coached his side and David Wibberley has proved to be a very capable president. Last but not least, playing secretary, Kevin Moore has proved to be a grand asset to the Port Lincoln Football League in organising the games played at Tumby Bay.

Fine weather and the attraction of four games drew a good crowd to Tumby Bay Oval last Saturday to see the Eagles scoop the pool in all four grades against the Blues.

TUMBY FINISH TOO STRONG FOR UNITED

A large and tense crowd waited in an overcast but breathless afternoon for the commencement of the A Grade match between Tumby Bay and Eyre United last Saturday at the Tumby Bay Oval.

Tumby Bay held the lead from woe to go and were never seriously challenged by a disappointing Eyre United team. Best for the Blues in an even team performance were, Doug Murphy in the mid-field, Doug Young across the half forward line and nuggetty rover Lloyd Bennetts.

Despite rainy weather and muddy roads a large crowd of spectators attended the match at Ungarra to see the Eyre United Saints take on the Tumby Bay Double Blues.

TUMBY BAY DEFEAT THE DEMONS BY A POINT

In one of the most exciting finishes for the season, the much under-rated Tumby Bay team gave League leaders, Waybacks their first defeat at Tumby Bay last Saturday.

Scores were level with only minutes to play, but Tumby urged on by their vocal supporters managed to score the winning point. Waybacks were coming hard at Tumby in the last few minutes but the Blues were equal to the task to record a confidence boosting win against their more fancied opponents.

TUMBY BAY THE GIANT KILLERS DO IT AGAIN

Once again the Double Blues who are fifth on the premiership ladder, downed the Roosters, who are second on the ladder and the fight for the final four is on in earnest.

The game as a spectacle was a very poor one indeed, however the Double Blues thoroughly deserved their victory in the strong blustery, dry conditions. Last quarter goals to Peter Carr and Ken Berryman was enough to seal victory in a see-sawing match with neither team able to dominate the other.

LAST YEAR'S PREMIERS THRASHED BY TUMBY

Tumby Bay staked their claims to this year's premiership, with a devastating win over last year's premiers, Waybacks at Tumby Bay on Saturday.

Winning in most positions on the field, the Double Blues never let the Demons get settled and with winning rucks and a forward line that functioned like clockwork, they cut the visitors defence to ribbons. Waybacks had no answer for Tumby's half forward line in Baum, Houston and Murphy. Young at full forward was playing strongly and kicked three first quarter goals to see the Double Blues lead by 47-points at the first change. Apart from the second quarter when the Wayback side had use of the breeze the game was completely dominated by Tumby who had many good players all over the ground. Doug Young with his seven goals was strong all day, Swaffer in ruck won his position well and rovers Ken Berryman and Lloyd Bennetts were in everything at ground level.

TUMBY BLUES TOO SPEEDY FOR MAGPIES

The Tumby Bay Double Blues, contrary to expectation, played fast flowing football to stop the confident winning run of Marble Range at Wangary last week.

Leading at every change the Double Blues posted their third win for the season with hard, fast paced football. Best players for Tumby Bay in an even team performance were Max Lowe, Vern Challenger, Ken Berryman, Lyall Swaffer and Doug Young who also booted three important goals.

TASMANS SHOCKED BY BLUES DETERMINATION

After being well in the game at half time after a slow start, Tumby Bay with accurate kicking, gradually drew away from a bewildered Tasman side at Tumby Bay.

Tumby Bay won the toss and kicked with the aid of a slight breeze in front of one of the largest crowds ever seen at the Tumby Bay oval. Lyall Swaffer dominated the rucks and gave plenty of supply to the Berryman brothers Ken and Doug. Dean Dunn was a good defender all day and Lowe was good aswell.

TUMBY BAY ANNIHILATE DEMONS

Playing the best football seen this season, the strong Tumby Bay side won by 66 points running away from Waybacks at Tumby Bay on Saturday.

This victory takes them two points clear of Tasmans on the premiership table and the Blues are enjoying this luxury at the head of the table so early in the season. With a forward line that was on top all day and with Young in devastating form at the goal front. The feature of this win was perhaps the drive the Blues got from Swaffer, Berryman and Young, Swaffer and Berryman dominated the rucks all day and the tigerish roving of Berryman cut holes in the Demon defence and provided an armchair ride for Doug Young's seven goals. Don't think that Young was spoon fed though. Some of his leading and marking was phenomenal and his long shots for goal were a treat to watch.

TUMBY BAY BREAK RUN OF LOSSES

Tumby Bay broke through last week to end their run of losses at the expense of a very confident Marble Range side to win by 24 points at Wangary on Saturday.

The day was again very windy and made conditions for good football almost impossible. Marble Range won the toss and elected to kick with the aid of a very strong breeze, however they found the Blues defenders in Berryman, Houston and Challinger very hard to penetrate and it was the Blues who held sway at quarter time

by the smallest of margins. It was a similar story in the second quarter with the Marble Range defenders this time stopping the Blues from scoring and scores were all tied up at the long break. The Double Blues set up their victory in the third quarter restricting the Magpies to just one point while kicking 2 goals 3 behinds into the breeze. The final quarter was once again a battle of defences but Tumby were able to add a further two goals to win comfortably by a margin of four goals.

TUMBY BAY DOWN LEAGUE LEADERS

Tumby Bay, in unexpectedly defeating the Eagles, who were in top position on the premiership ladder, have served notice to other clubs that they will be the team to beat before this year's finals are decided.

The Double Blues side was strengthened with the return of Lyall Swaffer and he was instrumental in his side's first quarter dominance and a 10-point lead. Tumby Bay were playing brilliant football with Lincoln South unable to match them in the air. At half time the Blues led the Eagles by only 13 points but were clearly playing the better brand of football. Lincoln South had their chances in the second half to challenge Tumby, but they were very inaccurate, kicking just one goals from eleven shots at goal. David Houston at fullback played a grand game for the Blues as did his fellow defenders Denis Chappell and Doug Berryman, while Swaffer kicked four goals while resting in the forward lines.

SEMI-FINAL TO DEMONS

Waybacks have proved they have developed a formidable team with plenty of strength in every position by defeating Tumby Bay in a hard fought semi-final at Centenary Oval.

The game was closely contested through-out with the Demons only racing away in the final few minutes. The Double Blues were the better side in the first quarter kicking four goals to Waybacks one, to lead by eighteen points at the first change. The demons hit back in the second term keeping Tumby goalless and kicking a couple themselves to reduce the half time margin to just five points. Waybacks began to gain the ascendancy from a tiring Blues team in the second half, but it wasn't until the dying minutes of the game they were able to shrug off a dogged Tumby Bay side.

TUMBY SUFFER INJURIES IN FINAL GAME

In the first-semi final – the knock out final - Tumby Bay suffered a severe setback to three of its star players in the second half of the game against Waybacks.

Eldon Lawrie suffered a hairline fracture of the skull when he crashed over a pack of players and his head landed on the cricket pitch. Doug Young suffered a severe leg injury when he twisted after being hit when several players crowded in on the ball in a pack. Doug Murphy suffered a damaged jaw that necessitated medical treatment after the game. This was an unfortunate end to the season for the Double Blues, but reports state that all three players are well on the road to recovery.

DOUBLE BLUES FORWARDS ON TARGET

Tumby Bay with a more positive approach, more speed and better team work, comfortably defeated Eyre United on Monday at the Tumby Bay Oval.

While Tumby charged in, backed up and protected their players, Eyre United hung back and never really attempted to take the initiative. The game opened before a record crowd for a first game at Tumby Bay. The oval was in first class condition and the weather perfect for the match that was staged to benefit the R.S.L. funds. John Lodge a senior colt last year was doing a lot to get his team going in the first half and will be a player to watch this season. Llyall Swaffer in ruck and resting at full forward was a constant threat to the Saints and with solid defence provided by Dean Dunn and Graeme Baum, the Double Blues were always in control of the game and went onto to win by 28-points.

DOUBLE BLUES THRASH WAYBACKS

Roger Dunn as predicted made his debut for Tumby Bay against Waybacks as his appearance coincided with the Double Blues second win and best performance for the season. Without being outstanding, Dunn played quite well, especially in the latter stages of the match and his mere presence seems to do a lot for his team's morale.

TUMBY BAY HOME BY ONE POINT

At Tumby Bay on ANZAC day a large crowd saw the Double Blues defeat Eyre United.

The game was the closest of the split round and a large crowd watched a match, the result of which was in doubt until the final siren. Neither side had any winning line, but several players stood out. Doug Young was Tumby's best player and when switched to ruck roving in the second half, repelled many Eyre United attacking thrusts. Baum at full back proved far too strong for the Saints resting ruckmen and Kerry Dohring was the best ruckman on the ground. Both teams have a way to go before they reach their best, but when they do they will be forces to be reckoned with.

DOUBLE BLUES FEATURE IN FORM REVERSAL

Tumby Bay caused a major upset in final four calculations when they comfortably defeated Tasmans at the Tumby Bay Oval last Saturday. This was the second time the Double Blues have defeated the Roosters who have only lost four matches this year.

This was a great reversal of form for Tumby as only last week they were beaten by bottom placed Marble Range. Best for the Double Blues was undoubtedly Doug Young. This player who can lift the Tumby team,

played a very strong game and Tasmans had no answer to his style of play. Another player to shine was Danny Horgan who played a very valuable match for his side as did his roving partner Ken Berryman. Baum at full back was as good as ever, without doubt he has been Tumby's most consistent player all season. Kerry Dohring, Tumby Bay's star import again played well. He rucked solidly all day and confused his opposing ruckmen with his varying tactics.

SOUTH TOO PACY IN SEMI-FINAL : BLUES OUT

With a comfortable win in Saturday's first semi-final, Lincoln South now move onto the preliminary final on Saturday week and Tumby Bay go into mothballs for the season.

After a very close first half, South moved away from the Blues to win easily. Undoubtedly the best player for Tumby was full forward Llyall Swaffer whose five goals tell their own story. He completely dominated his position and was far too good for his direct opponent. Ken Berryman played a tigerish game as did Denis Chappell. Kerry Dohring played very well in ruck, winning a lot of tap downs. David was one of Tumby's best, while Challenger played a serviceable game at centre half-back. Young was not the dominating factor as one would have thought, but he played solidly enough.

TUMBY BAY STAR SET FOR FINAL

Whether Port Adelaide will be 'done like a dinner' by Sturt when the teams clash in Saturday's grand final is a moot point. However Tumby Bay publican Roger Dunn believes Sturt will avenge Port Adelaide's narrow one-point victory two weeks ago.

Dunn played for Sturt in the preliminary final last week against North Adelaide, kicked six goals and was instrumental in several other goals. He left Tumby Bay on Monday to prepare for Saturday's grand final. With his mother, Mrs M.J.Dunn and his brother Dean, he is a partner in the family hotel at Tumby Bay. The Dunn brothers are well known in local football circles. Roger played for South Australia in the Australian Football Carnival at Hobart earlier this year and has played 130 League games for the Double Blues. Born in Cleve 28 years ago, Roger Dunn was captain/coach of Tumby Bay in the Port Lincoln Football League and played four seasons for Tumby Bay. A life member of the Sturt Club, he has played for the Double Blues for eight seasons. His brother Dean still plays for Tumby Bay. He is 33 years old and like 'Johnny Walker' is still going strong. Roger Dunn shuttles twice a week between Adelaide and Tumby Bay to meet his football commitments with Sturt. For travelling purposes he leaves for Adelaide on a week day and returns to Tumby the following day. He Saturday morning he is flown to Adelaide to play for Sturt and returns to Tumby Bay on Sunday. Thus Roger has a crowded life playing football for Sturt and winning friends and influences people at the family's Tumby Bay Hotel.

Roger Dunn pictured above was one of seven Sturt players to represent South Australia earlier this year. Dunn who played the most part of the season with Tumby Bay, played in Sturt's 1966 Premiership side.

TUMBY BAY HAVE WIN OVER LINCOLN SOUTH

Tumby Bay provided the first upset of the season when they defeated the more fancied South by two points at Tumby Bay on Saturday. The Eagles atrocious kicking for goal was a major factor affecting the result. The Eagles kicked only 8 goals from 34 shots.

Tumby Bay had first use of the strong breeze in the first quarter and took full advantage to kick six first term majors. The Eagles on the other hand wasted their chance with the breeze as they missed many goal scoring opportunities. With a 14-point lead at three quarter time and a further two last quarter goals the Double Blues did enough to be in front at the final siren. Lincoln South only have themselves to blame, kicking 2-12 in the final term.

PLUCKY BLUES UPSET WAYBACKS

Faster to the ball and combining better than their opponents, a determined Tumby Bay ridiculed the pre-match odds by trouncing the highly rated Waybacks at Tumby Bay.

Once again the bay-side oval proved to be the Redleg's nemesis, as apart from a polished first quarter and a brief burst in the third, the visitors never appeared likely winners against the improved Blues.

The home side began with Loller at full forward, Vern Challinger at centre half-forward, Dennis Challinger centre half-back and Carpenter roving but it was all Waybacks in the first term as they kicked six straight goals. Chiefly through Carpenter the home side began to win the ball away from the crushes and with John Lodge and Doug Young prominent they wittled away the Demons lead to just a solitary point at the long break. At three quarter time the visitors were back at to a 16-point lead, but it wasn't enough as the Double Blues finished strongly with the

breeze to record a well deserved 11-point win. Carpenter has played in a variety of positions for his team, but on the ball in this game he showed pace and courage and won a feast of kicks to give his side tremendous drive around the packs. Max Lowe played close to the centre and won the position for his side with strength and good disposal. Chappell a big strong type at full back marked well all day and restricted his opponent to just a couple of scoring shots at goal. Young, especially in the last half brought his teammates into the game with intelligent play on the ball. Wilson on the wing and Pedler in the ruck were other good players.

TUMBY CLIMB TO FOURTH POSITION

Playing on their home ground and being at full strength for the first time this season, Tumby Bay was far too accomplished for Eyre United on Saturday.

The Saints led the Double Blues at quarter time after having first use of the breeze, but in the last three quarters it was all the home side as they added 14 goals to three from that point. Best for Tumby Bay was Bevan McDonald who turned in a near faultless display of strong, fearless and dashing back pocket play. His play inspired all the backmen, who formed a very tight defence. Roger Dunn with four goals and a fearless display of ball getting was not far behind and Wilson was creative on a wing.

DOUBLE BLUES EASILY AGAINST THE MAGPIES

The Double Blues were all the way winners in defeating Marble Range at Wangary on Saturday. It was good team effort by Tumby Bay who are starting to hit top form.

Max Lowe won centre with tigerish ball getting and plenty of speed. Cliff Carpenter with two good goals and tons of dash around the packs did well. Roger Dunn with aggressive roving and three goals, five behinds while resting was instrumental in his teams win as was John Williams who pulled down 12 strong marks and kicked four goals, eight behinds. Wilson, Pedler and Chappell were other good players for the Double Blues who are coming good at the business end of the season.

TUMBY BAY THROW OUT CHALLENGE

Tumby Bay left no doubts about their dedication of their major round intention when they comfortably defeated Waybacks by 31-points at Tumby Bay Oval last Saturday.

The home side was repeatedly first to the ball, controlled the aerial duels and their team work and backing up was top drawer. It was the second successive win by the Double Blues over teams above them on the ladder. It was evident early that new coach, Roger Dunn had injected new fire into the Blues. Tumby controlled the

rucks early through the dominance of Lodge and Pedler who set-up Dunn, Young and Berryman to see the Blues out to a 33-point quarter time lead. An even Tumby team had many fine players, but new coach Roger Dunn was their inspiration and his fearless ball getting and good disposal was a great example to his side. Challenger at half back played his best game for some time with dash and vigour to dominate his position for four quarters, Max Lowe won his centre position. Doug Young and Doug Berryman, interchanging as followers both played fine games with strength and constructiveness. Dean Lodge in ruck, Denis Chappell at full back and Pedler were others who played well in a very even team effort that proved too much for the Demons to handle.

WAYBACKS CHAMPAGNE LAST QUARTER

Waybacks pulled off the greatest comeback since the invention of the boomerang when they roared back at Tumby Bay in the last quarter of last Saturday’s first semi-final.

The Blues played winning football for three quarters in their first major round appearance against Waybacks since 1964 and appeared certain winners when they led by 31-points at the last change. The Demons came storming home however to pull off the greatest come from behind win in recent memory. The match was a thriller right from the start, with plenty of pace, high marking and long kicking. The Blues were first to the ball in most cases in the first three quarters and their play-on game had Waybacks continually worried. The clash was probably the match of the year and the Redlegs last term fight back was a spine tingling sensation. It was champagne football! Although a disappointing loss, the Double Blues had many fine players including Roger Dunn who won many possessions around the ground despite the attention he received, Max Lowe who held his own in the centre against quality opposition and Denis Chappell at full back who repelled countless Wayback thrusts.

SIX GAMES WINS MAIL MEDAL

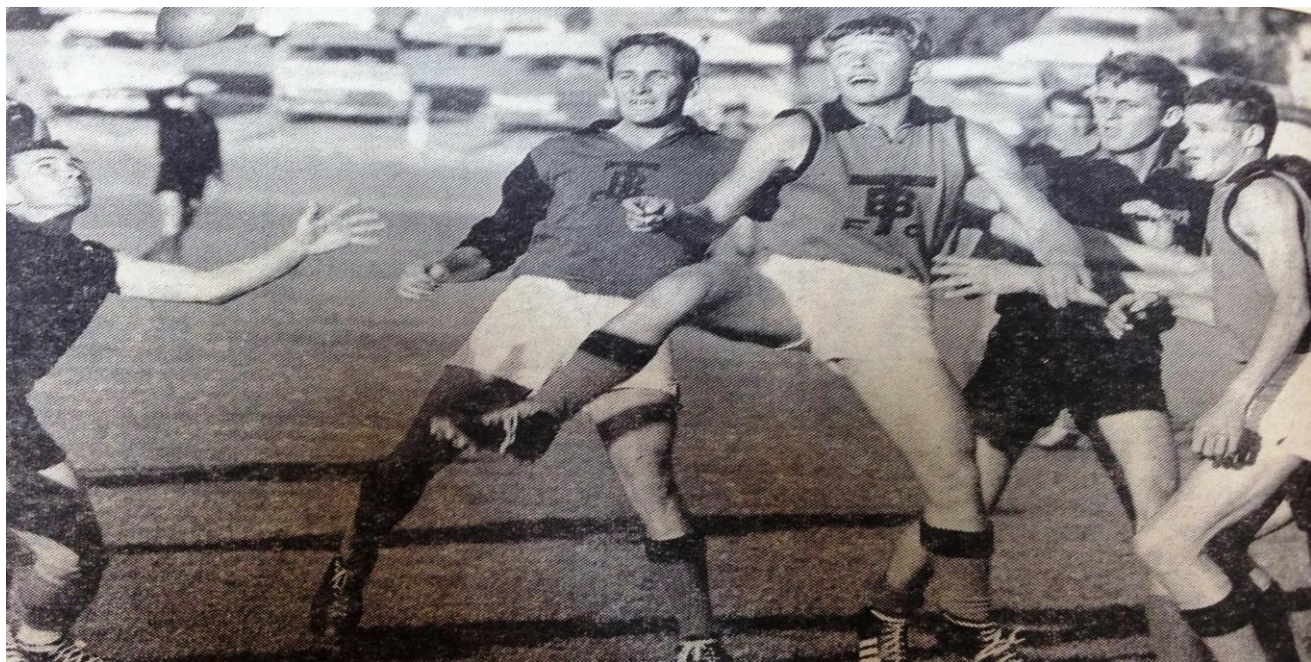

Tumby Bay captain coach Roger Dunn confounded the tipsters and won the 1967 Mail Medal after playing only six minor round games in the Port Lincoln Football League.

The Tumby Bay champion polled in all six games he played, polling a total of 16 votes to be tied with Kieran Kelly from Waybacks and Lincoln South captain coach Maurice Barry. Dunn was awarded the medal on a count back as he gained more first preference votes than the other two players. Tumby Bay keenly disappointed at their shock loss to Waybacks in the first semi-final last Saturday was wild with excitement at the announcement of Dunn’s win. Following a lavish celebration on Sunday, Roger slipped away to Adelaide early this week to train with Sturt. Twenty nine year old Dunn is a life member of the Sturt Football Club having played more than 130 games since 1957.

LEAGUE SIDE BID BY TUMBY BAY STAR

Will Tumby Bay captain-coach Roger Dunn clinch an unbelievable record this year by winning a Mail Medal in a Country League, yet playing in a SANFL semi-final or even a premiership side ?

This is the question intriguing all Eyre Peninsula football followers as Dunn a Tumby Bay publican and shock winner of this year's Mail Medal as fairest and best in the Port Lincoln Football League this year, trains in Adelaide this week with the Sturt Football Club. Dunn played in Sturt's seconds side this week in their loss to South Adelaide. Certainly all of Tumby and most probably Eyre Peninsula will be hoping that he gets selected in Sturt's senior team for this week's second semi-final match against North Adelaide. Achieving this feat would cap a chequered season for Dunn, who was a leading League goal kicker last year as well as representing the State in the Hobart championships. Dogged by injury this season, Dunn lost his berth in Sturt's League team and took on the job of coaching his home town team, also known as the Double Blues toward the end of the season as a replacement for the departing Bevan McDonald. All of Tumby is agog at Dunn's chances of selection in Sturt's League side. Certainly he has the best wishes of all football fans on Eyre Peninsula.

Tumby players from left to right, Llyall Swaffer, Cliff Carpenter and Win Solly only have eyes for the football.

SEASON 1968

TUMBY DELAY ANNOUNCEMENT OF COACH

Tumby Bay have delayed the announcement of their senior coach for season 1968, apparently waiting on Roger Dunn to clarify his intentions as he needs only three more League games in this his tenth season with Sturt to qualify for SANFL life membership.

Dunn has played in Sturt's trials, including the Richmond game and who would wager that if he makes the grade – as is end of last season's form would suggest – that his league appearances would be restricted to three.

BLUES ROMP HOME AGAINST WAYBACKS

A weakened Wayback team pressured Tumby Bay for three quarters last Saturday but the confident Blues added 4-3 to the Redlegs 1-2 in the last quarter to win by 19 points. Waybacks were never able to cope with big John Williams in ruck or establish safe avenues of attack ahead of centre. Tumby had good players in rovers, John Lodge, Dunn and Carpenter. Max Lowe was strong at centre half-forward and Berryman beat his opponent in the centre but best player for the Double Blues was Denis Chappell at fullback who marked brilliantly at times and kicked well.

DASHING BLUES STUN EAGLES AT CENTENARY

A rejuvenated Tumby Bay brought league leaders Lincoln South back down to earth with a dashing display, showing the Eagles a clean pair of heels to win by 24 points. Although the Blues led all day there was not a lot between the sides for the most part. When challenged in the final term John Williams was shifted out of the ruck to full forward and snapped two quick goals with rover like agility and Tumby lifted all over the ground and they won running away. The two best players on the ground played alongside each other on Tumby's last line of defence. Rhind's solidity and judgement in the back pocket was great support for the dash and brilliant marking of Chappell in the goals. Williams notched four match winning goals and was solid in ruck, Dunn after a quite start played strongly, wingers Wilson and Horgan were clear winners along with other good players including Lowe, John Lodge, Loller and Carpenter.

BLUES THRASH WOEFUL DEMONS AT TUMBY

Tumby Bay with an impressive team display, inflicted the heaviest defeat for many years upon Waybacks when they thrashed them by 69 points at Tumby Bay on Saturday.

The Blues with winners all around the ground where never seriously challenged by the disappointing Demons and virtually did as they liked. They carried the ball away from the crushes through Dunn, Carpenter and Wait with ridiculous ease. Tumby won well across half forward and had a good goal kicker in Williams who finished with six majors to his credit.

EARLY BREAK GIVES VICTORY TO SOUTH

Establishing an early break Lincoln South withstood a strong second half challenge from Tumby Bay to win a crowd pleasing game at Tumby Bay by 11 points on Saturday.

The Blues trailed by 30 points at the first break before winning all three remaining quarters of the match. John Lodge returning from a three match absence showed amazing ball control and goal sense to boot seven goals and also hit the post twice after being rarely sighted in the first half. Ken Berryman roved strongly, pulling down many strong marks and delivering the ball well while co-rover Carpenter despite a leg injury showed dash and skill. Wait the never-say-die battler, again showed his worth with a tigerish display, while Dean Lodge and Loller got on top in ruck as the game progressed.

TUMBY TROUNCE TASMANS

Playing more purposeful football after half time Tumby, with clear winners in attack where John Williams and John Lodge booted 11 goals between them, ran away from Tasmans to score a convincing 46 point victory at Tumby Bay on Saturday.

It was a fast and vigorous game with both sides appreciating the perfect conditions and excellent turf. Tumby sprang somewhat of a surprise by starting Ken Berryman in a back pocket, Roger Dunn on a half forward flank and John Lodge placed permanently in a forward pocket alongside John Williams. John Lowe opened the scoring for the Double Blues with a strong goal followed by King and Williams after good play from John Lodge. Tasmans recorded a string of behinds before their first goal just before the first quarter siren with Tumby leading 5-2 to 1-8. It was goal for goal in the second term and at the main break the home side led the Roosters by 18 points. The

second half was dominated by the Double Blues with the brilliant Lodge in particular out-pointing his opponents with apparent ease. Williams, scarcely moving from the goal square following an injury to his knee after he collided with the goal post kicked his six goal in the third term. Some fire came into the game as players tackled fiercely following Burgoyne's severe dumping of Wait, whose head crashed heavily onto the turf. He along with Williams both left the ground but Tumby had done enough to claim an easy victory.

TUMBY BAY CRUSH SOUTH IN LAST TERM

Reacting strongly to two successive defeats, and to be “written off” by tipsters, Tumby Bay kept its nose in front for three quarters before going on to completely demoralise a shell shocked Eagles with a devastating last quarter, kicking 10-5 to one Souths solitary goal, to topple the League Leaders at the Tumby Bay oval last Saturday.

Following three quarters of hard, close checking football, few people were prepared for the last quarter onslaught in which John Williams booted five goals and Roger Dunn ran riot. The Double Blues led by just four points heading into the last term before a flood of goals saw the home completely demoralise the Eagles. Dunn kicked the opening goal for the quarter followed by further majors to John Lodge, Dean Lodge and a bag of five from Williams, but it was Dunn who provided the highlight of the last term when he grabbed the ball at half back, crashed through a pack, eluded several opponents in a burst of bouncing and finally sent through a mighty punt while running at top speed. Working four rovers (Dunn, Berryman, Carpenter and John Lodge) Tumby was able to keep up relentless pressure which paid dividends in the final quarter. Dean Lodge made an impressive return, pulling down 12 marks for the game and rucking well, while Rhind turned in another sound reliable game in the back pocket. Across half back the Challenger brothers turned in solid performances. Carpenter's pace either on the ball or across half forward made him a winner while Williams with five last quarter goals and his good ruck work played well, Denis Chappell and John Schroeder were two others to play well.

TUMBY BAY WIN IN SLUSH AT LIPSON

Tumby won its final minor round encounter for 1968 with their neighbouring rivals Eyre United in the mud and slush at Lipson Oval on Saturday, when they had more purposeful players than their opponents to record a 22 point victory.

The conditions were probably the worst for the year with gale force winds and showers to add to the players discomfort. Best players for the Double Blues were Danny Horgan who was a constant supply line for Tumby. His terrier like ball getting was a feature of his game and his kicking, though not the tidiest usually found his team mates. Roger Dunn was a consistent kick winner, roving well all day. Newcomer Bob Rattray played impressively while Bob Cameron marked strongly in his role as run-on follower. Other Tumby players to do well were Dean Lodge in ruck, Cliff Carpenter, with pace won many kicks around centre and Denis Chappell was sound as usual at full back.

TUMBY WIN FIRST SEMI-FINAL

It took Tumby Bay just 15 minutes of brilliant football in the third quarter of last Saturday's first semi-final, to move Waybacks out of 1968 premiership calculations and themselves into the preliminary final with a 11-point victory.

The first major round match was a fiery, pace filled affair and very even for much of the way, but Tumby's great third quarter in which they added 8 goals 1 behind to Wayback's solitary point, decided the issue. The Redlegs had no answer to the strong marking, straight kicking of big John Williams at the goal front, who finished with eight goals, or the ball getting ability of Tumby captain Roger Dunn who repeatedly put the ball into the square where Williams' bulk and strong hands were too much for the Wayback defence. Although held scoreless in the last quarter the Double Blues solid defence led by Lawrie, Chappell, Berryman and resting ruckman Dean Lodge coupled with the brilliance of Dunn and Williams were enough to see Tumby Bay through to the preliminary final.

WILLIAMS BOOTS DOUBLE BLUES IN

Big John Williams booted Tumby Bay into the grand final with eleven great goals against Marble Range in the preliminary final last Saturday. A brilliant eight goal second quarter (four to Williams) enabled Tumby Bay to lead by 34 points at half time.

Three quick goals to Williams immediately upon resumption stretched Tumby's lead to 53-points and the Blues seemed to have the match in their keeping. To the Rangers credit they fought back in great style to kick a couple of goals just before three quarter time to trail by 40-points at the last change. Very few would have given the Rangers any hope of winning but they got within two goals of the Blues late in the last term before Tumby steadied through Chappell who marked brilliantly all day, Dunn and Berryman to move into the grand final. It was a grand exhibition by both teams. Eleven goals against any team is a great effort, and the manner in which Williams got his in this preliminary final stamped him as the hope of the Blues in next week's big game. Tigerish little Danny Horgan on the wing was a day long winner and sparked off the Blues second quarter burst from the centre. Chappell was strong and polished and marked brilliantly. Dunn after a quite start provided his usual strong ball winning and disposal. Ken Berryman played almost faultlessly in a back pocket. John Lodge was a constant

danger in attack even with limited opportunities. Wait with good marking and body work was a fine foil for Dunn on the ball and Cliff Carpenter did many fine things.

ROGER DUNN WINS MAIL MEDAL

The Mail Medal count was conducted at the Wayback Football Club last Saturday night with Tumby Bay’s Roger Dunn winning the medal. The ex Sturt star who also won last year’s medal polled in ten of the thirteen games in which he played to win the award comfortably from Wayback’s Kieren Kelly. The league had a large board made up similar to that used in the Magarey Medal count and those present were able to watch the progressive vote totals. Dunn due to work commitments was unable to attend.

TUMBY TIPPED TO WIN GRAND FINAL

Saturday’s big game between Tumby Bay and Lincoln South will be a “grand final” in every sense of the word, and should be the most bitterly fought battle outside of the Federal seat of Melbourne.

If there is one difference between the two sides it’s the big boy in front of goals, John Williams who has booted 19 goals in the two major round matches so far. There is no doubt that the whole key to the flag lies right here and Lincoln South are acutely aware of this and if they can stop him from kicking a bundle of goals it will go a long way in assisting them to win the premiership. Tumby Bay’s centreline is a strong one with Danny Horgan who has always had more grit than a garden path on one wing, the elusive and constructive Cliff Carpenter in the centre and the consistent Rattray on the other wing. In defence the Blues also look strong with Denis Chappell, Ken Berryman who in a back pocket is the best thing since an un-opened pay packet and the close checking Challenger brothers. Unless there are some startling surprises, the Blues with the bogey man Williams looming large have too many potential match winners in form and should be favourites to win the 1968 flag on Saturday.

PREMIERSHIP TO TUMBY AFTER GREAT STRUGGLE

Tumby Bay won its first Port Lincoln Football League post-war premiership by snatching a dramatic last gasp win over Lincoln South in a great grand final last Saturday at Centenary Oval. The season’s final and most important game proved to be a fitting climax, as not more than two straight kicks separated the sides all day.

Although only a goal up at half time the Eagles looked to be doing better than the Blues. At three quarter time the Eagles had increased their lead to nine points and looked poised for victory, but Tumby came back to monopolise the attacking over the last half of the final quarter. After seemingly frittering away several golden opportunities, Tumby snatched victory with a dramatic snapped goal. With only seconds remaining John Lodge who had been quite all day since the first quarter, picked up the ball behind the rucks from a boundary throw-in and popped the ball through the goal with a kick that seemingly travelled through the milling pack in front of him. It was not much of a kick as kicks go, but it turned out to be the best one ever done by a Tumby player in Lincoln – it won them the 1968 Premiership. Denis Chappell was Tumby Bay’s best player with a classic display of marking and rebound football. Ken Berryman alongside him gave a similar display and Roger Dunn despite a quite third term won many kicks and often inspired his team. Carpenter won his position with plenty of dash, Loller and Dean Lodge held many field marks while Rattray played consistently and finished his game off with a brilliant last quarter.

DOUBLE BLUES NOW IN FOUR

Tumby Bay returned to the winners list and the league top four by comfortably defeating Waybacks by 25 points at the Tumby Bay Oval last Saturday.

The Blues who had lost their two previous matches showed a welcome return to form. Even without Roger Dunn and Vern Challenger they were, through the agency of a dominant defence and a winning centreline, obviously the superior side for most of the day. Played in perfect conditions the match was evenly contested until the home side opened up a four goal lead midway through the second term which they were able to maintain for the duration of the game. Ken Berryman gave a great ball winning display and was a terrific replacement in the centre of the ground for the injured Dunn. Wilson and Horgan were winning wingers, Chappell and Cameron strong defenders and Carpenter and Williams were prominent in a good side.

DOUBLE BLUES DOWN THE ROOSTERS

After gaining a handy lead at half time, Tumby Bay were able to hold Tasmans out for the remainder of the match to win by 20 points at Ravendale Oval last Saturday.

The Blues opened well and began sending the ball in high to the forward lines where Denis Chappell was finishing off the drives with strong marking and deadly accurate drop kicking for goal. Horgan was winning his wing well and Dunn was getting plenty of the football around the packs. The Blues never looked in any trouble in the second half and cruised to victory after leading by four goals at three quarter time. Tumby Bay's best would have been Rattray for his good attacking work, with Chappell not far behind with his eight goals. Others to play well were Dunn, Sandercock and Horgan.

CRUCIAL ONE FOR TUMBY BAY

Tumby Bay may be a better side than Tasmans at the moment, but unless they win the most important game of the year – against Waybacks at Centenary Oval this weekend – it's not going to do them one scrap of good

The Blues are hanging on to fourth position by the odd premierships point, but with the Roosters finishing off the season against Eyre United, Tumby have to win one of their two remaining matches – and their other one is against top team Lincoln South. Nothing much has gone Tumby's way this year, but they have one thing going for them and that is that more of their players are going better than at any stage this season – Chappell, Sandercock, Dunn and Rattray for instance. Apart from Dunn and Williams who rest up forward, the Blues have Chappell, Sandercock, Johnston and Rattray all coming good at the right time in attack. How about that ex-full back's eight "sausage rolls" last week. Denis Chappell's 17 goals in three attempts at full forward is a fine effort and has given the Double Blues the striking power they had previously lacked. There does not appear to be much between the two sides across the all important centreline where the visitors must win if they are to be victorious in this game. Carpenter, Horgan and Wilson is a pretty fair line comprising pace, determination and constructiveness in that order. Dennis Challinger, Berryman, Loller and Chapman give the Blues an in-form defence in a must win for Tumby Bay if they wish to see finals action again in 1969.

SOUTHS OUST DOUBLE BLUES FROM FINAL FOUR

Undefeated Lincoln South, more accomplished in all facets of the game, continued their triumphant minor round supremacy with a convincing 10 goal win over Tumby Bay.

Best for Tumby were Roger Dunn, always active and sending his team into attack with long direct kicking. Sandercock gave a great display of ball getting and fine disposal, Berryman played well in defence and while on the ball. Others to play well were Lodge, Johnston, Franks and Higgins.

IMPRESSIVE BLUES OUTCLASS RANGERS

Tumby Bay opened the season in fine style at Wangary last week when they impressively ripped through Marble Range in the last half to easily win.

Tumby Bay with a few new faces, impressive ones at that and again inspiringly led by Roger Dunn showed their best form since their 1968 premiership win in defeating a side that was their nemesis last season. When the Rangers led comfortably at half time they looked capable of going on to win the game. However the Blues with Barry France at centre half-forward, Chappell in front of goal and Dunn, Williams and Lodge on the ball revitalising the side, hit the front mid-way through the third term. With superior ball movement, Tumby took the game away from the home side in the final quarter. The result, something of an upset judging by 1969 standards, was apparent well before the final siren and was a most impressive performance from the improved and polished Tumby Bay team.

CONSTRUCTIVE PLAY GIVES TUMBY A COMFORTABLE WIN

In a game that never reached any great heights, Tumby Bay was able to produce enough bursts of constructive teamwork to stay comfortably in front of the visiting Marble Range team and coast home to win by 19 points.

Best for Tumby Bay was probably Danny Horgan and although his kicking was astray (6 behinds) John Williams was not far behind him. Bob Wigley on a wing played well as did Eric Kotz on a half back-flank. Others under notice were rovers Sandercock and Berryman, France, Chappell, Rattray who was elusive in the forward lines and Vern Challinger.

RANGERS END TUMBY BAY'S MISERY

Marble Range finalised Tumby Bay's faint hopes of major round success by knocking the Blues out off the finals fight for 1970, at Centenary Oval last Saturday.

The Magpies in the first half showed more determination than Tumby to get the ball and as a result led by 55-points at half time. The Double Blues had to try something and it was in the third quarter that they made their move. Dunn lifted his game dramatically to give his side drive from the centre. France who had moved to centre half-forward began to grab marks but his kicking was astray, managing just 4 behinds for the quarter. Williams and Pedler also missed simple chances which meant the Blues had blown whatever chance Dunn's courage had provided. The match deteriorated in the second half with the Magpies adding a wayward 2.13 to Tumby's equally inaccurate score of 4.8 Best players for the Blues were Dunn, driving of himself in an effort to inspire his team mates, made him outstanding and Williams in a strong effort in the ruck earned mention. Also deserving of mention was young Gary Carr, who started as a reserve, came on as a fullback and more than held his own. Barry France, in the second half and Danny Horgan were the other two worthy of mention.

TUMBY IN UPSET WIN OVER LEAGUE LEADERS

Tumby Bay upset Waybacks, the football critics, the premiership table and most people's expectations, when they inflicted a four point defeat upon first round league leader Waybacks at the Tumby Bay oval in perfect conditions last Saturday.

For the first time the Double Blues realised the potential that their talented side contains. The match was a top class spectacle with both sides having some brilliant patches, but Tumby won because they were more direct, kicked the ball further and better and had a winner in front of goals in Foreman. It appeared that Waybacks seriously under-estimated the Blues who put the Demon defence under serious pressure from the outset with Steve Higgins goaling twice, Foreman and Dunn before the flat legged Demons knew what had hit them. The Demons fought back late in the first term to lead by 7-points at the first change and increased this lead to 21 at the main break. There was little between the two teams in the second half but it was the Blues who kicked 3 late goals in the final term to clinch a hard fought win. Tumby had plenty of good players, Wigley mainly in defence, Dunn their inspiration, Foreman in front of goals, Horgan, Bell – a good find, Kotz and Chappell were some of them.

REVENGE FOR THE BLUES AT TUMBY BAY

Tumby Bay had its revenge at home on Saturday when the Double Blues defeated the red and whites by percentage boosting 50 points.

Tasmans made full use of the wind advantage in the first quarter kicking six goals for the term. The start of the second term saw Dunn at centre for the Blues picking up a number of kicks as he tried to get his side moving. Two quick goals from the boot of Gus Wenzel playing his first full game. Further goals to Foreman, Higgins, Dunn twice and Wenzel again for his third gave the Blues a commanding 26-point lead at half time after kicking ten goals for the quarter. The second half was all the Blues as they ran out winners by 50 points.

VASTLY IMPROVED BLUES SHOCK THE EAGLES

Tumby Bay, in the doldrums in recent weeks, made a dramatic return to form when they comfortably defeated Lincoln South in a hard fought, vigorous match at Tumby Bay last Saturday.

The Blues following a series of unimpressive efforts turned in a vastly improved performance to topple the Eagles. Early in the game Tumby's strong goal-to-goal line loomed as a danger to the Eagles, especially Dunn in the centre, France at centre half-back and Williams at the goal front. The Blues opened up a commanding lead mid way through the second term before Souths pegged them back with late goals to only trail by one straight kick at the long interval. With good players in Roger Dunn, Bob Wigley, Barry France and Ken Berryman the Blues were able to keep the Eagles at arm's length in the second half and go onto record an important 16-point victory.

DEMONS HAD A FIT OF THE 'BLUES'

Tumby Bay were first to the ball continuously, backed each other up in splendid fashion and had many more players than Waybacks that showed determination to win the ball.

France, Chappell, Wigley, Curtis and Challenger were all winners in defence for the Blues with Chapman winning the rucks and marking around the ground. In attack the Double Blues had great service from John Williams and Graeme Foreman with a total of seven goals between the pair.

TUMBY BAY CRUSH TASMANS

A far more even and methodical Tumby Bay had no trouble in completely over-running a disjointed Tasman team on the Centenary Oval on Saturday.

Tumby was lead onto the field by Eric Kotz, playing his last game for the Blues before transferring to Fremantle WA. The Blues started slowly but were able at least to go into quarter time with a slender lead over the Roosters. In the second quarter the Blues run rampant with John Williams in deadly form at full forward and a dominant centre line they kicked nine un-answered goals. In the second half, with the game in their keeping the Blues continued to play well with strong contributions from all its players. Roger Dunn played four quarters of powerful football and was probably Tumby's best. Ned Roberts would not have been far behind him in his role as a follower resting in the back lines. Other good players included, Chappell, France, Wigley, Challenger, Bell, Lodge and Wenzel.

TUMBY STORM HOME AGAINST TASMANS

Kicking 4 goals in the time-on period and a total of six goals in the last quarter Tumby Bay, after trailing for most of the day stormed home to snatch an exciting victory against Tasmans at the Tumby Bay Oval on Saturday.

The Roosters appeared to have the game in their keeping midway through the last term but suddenly the game erupted into a violent free-for-all with players from all parts of the ground converging on what appeared to be Roger Dunn versus the Rooster rucks. Dunn emerged with blood streaming from a head wound when the umpires were finally able to get play under way again. The physical violence appeared to stir the home side into action and together with four or five positional changes by their coach they suddenly took control and slammed on goals through Higgins, Williams and Horgan.

BLUES MILES TOO GOOD AT TUMBY

In a match marred in the first half by wild, blustery conditions, Tumby Bay broke away in the last two quarters to register a resounding 58 point win against Marble Range at Tumby Bay in the season's opening game last Saturday.

The Double Blues played superb football in the third term kicking 7-6 to the Magpies 1-3 to set up the win. New rover Greg Thiele who had played well loose in defence kicked three second half goals to be well up in the best players for the Blues along with Gus Wenzel on a wing who provided great drive and used his kicks well. Newly appointed captain Danny Horgan was also a productive rover and Cliff Carpenter played with great dash in the centre of the ground.

EAGLES GLIDE IN AT TUMBY BAY

The Eagles coasted to an easy win after a whirlwind second quarter at Tumby Bay last Saturday against spirited opposition during which they racked up 10 goals 6 behinds for the term to only one goal from the Double Blues.

The Tumby Bay oval was in superb condition for the match and the weather was also kind. Each side had seven scoring shots in the first quarter, but the Eagles made better use of their opportunities.

TUMBY BAY RUCKS IN STRONG DISPLAY

Ruck supremacy and straighter kicking for goal enabled Tumby Bay to open the football season with a 12-point victory over Bostons at Ravendale Oval on Saturday.

Poor goal shooting and good defence by Tumby Bay held Bostons to 4-4 for the quarter, while the Blues kicking into a gusty breeze failed to score. Tumby Bay captain Danny Horgan led a strong charge in the second term when he kicked three of his side's five goals to see scores all tied-up at the long break. A match winning third term from the Blues where they held the Tigers goalless and completely dominated the ruck duels with Carr and Woolford giving their small men in Horgan, Thiele and Stringer first use of the ball. The Double Blues held sway in the final term to record a two goal win.

TWO IN A ROW FOR TENACIOUS TUMBY

A tenacious Tumby side notched up their second football victory in two games when they defeated Tasmans by 14 points at Tumby Bay on Saturday.

Carpenter was prominent early and along with Carr in ruck and Chapman at centre half-forward were telling against Tasmans early. Tumby led by nineteen points at the first change and thanks to late goals by Oswald and the dangerous Thiele, the Double Blues held sway by 8 points at the main break.

In the third quarter Chapman was proving too strong for the opposing Red and Whites and his long accurate kicking was an object lesson to all aspiring 'Aussie Rulers'. Tumby got out to a five goal lead during the last term until a late Rooster revival saw the margin reduced to only 2-points before Wenzel put the game beyond doubt with an excellent goal in the dying minutes, to see the home side run out winners by 14 points.

BLUES THIRD TERM DID THE TRICK

Tumby Bay's third quarter when they booted six goals without a reply from Waybacks gave the Demons a bad case of the Blues and enabled the visitors to run out comfortable victors in their clash at Centenary oval on Saturday.

For three quarters there was little between the two sides but the third quarter swung the game the Blues way. Best for Tumby were rovers Thiele and Horgan, Anderson on the half forward flank, Stringer on a wing and Carr in the ruck.

ANOTHER CLOSE ONE FOR LINCOLN SOUTH

Lincoln South defeated Tumby Bay by 4 points in the football match at Centenary oval on Saturday. For the second time in two encounters this season the Eagles won by less than a goal in a close encounter in which the Blues led for most of the match.

For Tumby Bay Vern Challinger was a clear winner at centre half-back. The Eagles moved several players on him but he continuously drove the ball out of defence. Roberts on a half back flank also defended well, while Anderson at half forward and later centre won many possessions. Lodge took many marks while resting in defence. Carpenter and Horgan also did well.

SPIRIT WON IT FOR TIGERS

There was little in ability between Bostons and Tumby Bay for three quarters at Centenary Oval on Anzac day but the Tigers showed far more of the Anzac spirit than the disinterested Blues in the last quarter to kick 8 goals 7 behinds to nothing and win easily by 60 points.

Greg Thiele was a fine example to the Tumby players but his efforts were unrewarded while Hartree at centre and Southern with a solid game at half back were easily Tumby's best.

WAYBACKS WIN DULL ENCOUNTER

Before a small crowd at Centenary Oval last Saturday, Waybacks easily defeated bottom team Tumby Bay, 20-21, to 5-4.

Tumby opened well and had two majors on the board in the first 10 minutes and led by 2-points at the first change but in the second quarter it was all the Redlegs with Des Pedler playing a lone hand in defence, repelling many attacks. The second half saw Waybacks kick right away, increasing their lead as the game progressed before eventually running out convincing winners by 107-points in a one-sided contest. Greg Thiele and Pedler were easily the Blues best and Gary Carr tried hard.

HOORAY FOR THE GOOD OLD BLUES

Most football followers – with the exception of Bostons would be pleased that Tumby Bay broke their duck at last, at the Tigers expense. At least the season has not been a total waste for them and they can now look forward to the remainder of the season.

Tumby's victory must have been a tonic for them and they might realise that they are capable of winning matches even if the realisation has come too late for this season. Last week for the first time a number of Tumby players provided the sort of impetus they should have provided all along. Wenzel, Higgins, Roberts, Southern and Clark lent support to their consistently good players in Thiele, Hartree, Pedler, Cottrell and Carr and they surprised everyone including probably themselves.

TASMANS VICTORIOUS BUT UNIMPRESSIVE

Tasmans were unimpressive in their win last Saturday when they defeated Tumby Bay by 35 points on the Centenary Oval.

The first quarter belonged to Tumby Bay and with the aid of a strong breeze they jumped straight into stride with goals from Carthew and Harris. Steve Higgins was creating opportunities at centre half-forward as he added a couple of goals himself to see the Blues lead 5-7 to 1-1 at quarter time. At the main break Tumby still led the Roosters by 6-points but after half time Tasmans restricted the Blues scoring with the breeze and rammed home the advantage in the last term when they had use of it. The Roosters comfortably winning 13-19 to Tumby Bay 8-14. Tumby were best served by their two key forwards in Higgins and Harris, while Hartree and Garret played well along with Wenzel and Thiele.

RANGERS IN CONTROL AGAINST TUMBY

Playing on their home ground for the last time this season, Marble Range finished full of running to defeat Tumby Bay by 15 goals.

Best players for Tumby Bay were Greg Thiele with a lion hearted roving effort over the full four quarters. Higgins at half forward was the most dangerous player in attack and showed class and initiative while Carpenter would undoubtedly have been more troublesome if he had more room to move about. Hartree's battle on the wing against his Marble Range opponent was a show piece and Pedler upheld many Magpie attacks. Carr and Cottrell were more than use full ruckmen for their team.

MARBLE RANGE SWAMP TUMBY

Marble Range attacked consistently for three quarters to defeat Tumby Bay by 120 points at Wangary on Saturday.

Tumby Bay still unfortunately were without Carr and Richardson made a couple of interesting changes with Pedler moving out from full back to centre half back and Steve Higgins who is more familiar to the Rangers as a forward took up the full back position. The move of Higgins to full back was a good one as he was named Tumby Bay's best player. Kroemer on a wing was good all day and the Harris twins, Mark and Shane were serviceable players in attack.

POWER DISPLAY BY MINOR PREMIERS

Despite wild rumours which circulated the town last week regarding Tasmans position on the ladder, they brushed aside Tumby Bay in the last three quarters at Stamford on Saturday to record another big win and well and truly take out the minor premiership.

The Roosters did not have it all their way in the first quarter as Tumby took the game right up to them, using plenty of run, backing up and handball. Tumby even held the lead at stages during the first term but Tasmans come back well late in the term. Best players for the Blues were hard to find except for Pedler at full back who was outstanding and Pearson and Tierney did more than their share.

TUMBY PRESSURE TASMANS ALL DAY

Tumby Bay pressured Tasmans through out the game at Centenary Oval on Saturday before going down by 41 points.

In the first quarter Tumby aided by a cross breeze took the game right up to Tasmans and at the first change led by 12-points. Carr and Oswald were rucking strongly for Tumby ably supported by Pearson and Shane Harris. At half time the Roosters led by only 3-points after an even first half of football. Three quick goals to the Red and Whites early in the third term were quickly replied to by Shane Harris who was playing great football up forward. At three quarter time the Roosters held a 4 goal advantage and with the breeze at their backs in the last quarter never looked troubled. Bill Oswald who had rucked well all day flashed into the game with three quick goals and Tumby were still in it, but four quick goals to Tasmans finally sealed the fate of the Double Blues. Shane Harris with six goals was outstanding for Tumby while Carr and Oswald in ruck and Rod Pearson gave some good service.

TASMANS STORM HOME AT TUMBY

After trailing for most of the game Tasmans drew away from Tumby Bay in the last quarter to win by 36 points at Tumby Bay on Saturday.

Blustery conditions prevailed as Tumby won the toss and kicked with a four to five goal breeze. Shane Lockwood kicked three opening term goals to help Tumby to an 8-point advantage at the first break. At half time scores were all tied-up with Tasmans wasting many scoring opportunities. With the wind dropping in the second half it was goal for goal in an even third term but Tumby had no answer to the rampant Roosters in the last quarter as they piled on nine goals to two in a blistering final term to run out easy winners 17-17 to 12-11

WAYBACKS WIN AFTER CLOSE FIRST HALF

In a match in which scores remained close in the first half, Waybacks easily defeated Tumby Bay at Tumby on Saturday in Port Lincoln football.

Tumby won the toss and kicked with the aid of a slight breeze in the first term. Steve Higgins was proving a target up forward for the Double Blues as he kicked his team's only two goals for the quarter as Waybacks held sway by 23 points at the first change. Tumby's small men got on top in the second quarter and against the breeze they outscored the Demons 5-1 to 5.0 and were right in the match. After half-time the Wayback machine began to click into gear and Tumby had no answer to their second half dominance with the Demons eventually running out winners by 70 points.

TUMBY UNABLE TO SOLVE PROBLEMS AGAINST RANGERS

Tumby were first to have the use of a four goal wind favouring the southern end, but immediately ran into the problems which they were unable to solve in their match against Marble Range on Saturday.

Tumby won the toss and kicked with the aid of a slight breeze in the first term but were unable to take full advantage and by half-time the Rangers had set-up a match winning lead of 54-points. A margin that continued to grow as the match progressed with the Magpies eventually running out winners by 95 points. Mark Milton held his half back flank well to be their only clear winner. Brenton Lamshed showed his class for the Double Blues but requires greater assistance from his team mates. Gary Carr in ruck tried hard and rovers Mooney and Kroemer battled hard and were by no means disgraced.

STRONG DISPLAY BY BOSTONS AT TUMBY

Bostons gave a powerful display to run out winners by 82 points against the home side at Tumby Bay last Saturday.

Conditions were near perfect as the game opened with Bostons attacking the southern end. Before either team had scored Boston's full forward Ray Watherston on the lead accidentally crashed with umpire Warren Dickie who had to be carried from the ground. Mooney scored first for Tumby, but Bostons soon replied and by quarters end held a 23-point advantage. Tumby Bay players Tierney, Mooney, Harris and Fisher tried hard in this quarter but could not stem the tide. In the second term the Double Blues scored goals through Eckermann and Mooney but still trailed by 51-points at the main break. Bostons continued to attack in the second half increasing their lead at three quarter time to 53-points before completely demoralising the Tumby team in the final quarter to run out eventual winners 23-14 to 10-10

STRONG FINISH BY SOUTH AT TUMBY

Lincoln South ran riot in the second half on Saturday to win easily against Tumby Bay whose hopes were dashed by a mounting toll of injuries.

Gary Carr scored first for the Blues after Brenton Lamshed from the centre bounce found him in space. Lamshed kicked one himself minutes later, but it was Souths who finished the quarter stronger to lead by 5-points. Mark Harris scored the first goal of the second term to put the Blues back in front and despite another goal from Steve Anderson later in the term it was the Eagles with a commanding 25-point lead at the half-time interval. Tumby Bay sustained several injuries during the first half including Lamshed with a lower leg injury and Mooney with a dislocated shoulder. Lamshed was at least able to continue playing in the second half, kicking three goals and being named high amongst the best players. Tumby however could not stop the Eagles from running away with the game as they added 9-6 to 3-3 after half time to run out comfortable winners by 66-points.

TASMANS IN FLYING START AT TUMBY

At Tumby Bay on ANZAC Day Tasmans defeated the Blues by 19 points due to a great first quarter when they outscored their opponents by eight goals.

Tasmans slammed on nine goals to just the one by Tumby kicked by Phil Shannon. The Blues were much more attacking in the second quarter with new recruit Peter Burton kicking four goals for the term to see the scoreboard read 11-6 to 6-6 at the main break. The third term was a very even affair with only one goal apiece. There was little scoring in the last term as well as both teams tired. Best players for the Blues were Carr in ruck, rover Shannon was speedy and effective, Kroemer showed courage and persistence on his wing, Burton although over-shadowed in the second half must rate a mention for his four goals and skipper Brenton Lamshed came under notice at times.

EAGLES TROUNCE DOUBLE BLUES

Lincoln South tore strips off the weakened Double Blues at Centenary Oval on Sunday when they kicked 11 goals in the third term and went on to win by 90 points.

Bill Oswald scored first for the Blues and Steve Higgins followed this up with two more for the quarter to trail by just seven-points after the Eagles had first use of slight breeze. Second quarter goals to Tony Higgins, Kroemer, Anderson and Shannon saw the Blues stay in touch at half-time however a third quarter blitz by Souths ended the game as a contest and the Eagles went on to record a 90-point win. Lamshed at center-half forward was brilliant all day, Gary Carr rucked strongly and pulled down some good marks, Scott in defence did many good things, Sorrell in ruck and at centre half forward battled hard all day and Dale Murphy along with Gavin Dunn were triers in a struggling team.

RANGERS HOME IN TIME-ON PERIOD

At Tumby on Saturday, Marble Range were fortunate to continue their unbeaten run when they defeated the home side by the narrow margin of five points.

The game, played in blustery conditions was a tight affair for the first three quarters. A shower of rain in the final term made ball handling difficult and both teams were held scoreless until the time-on period when with three minutes left Daniel Anderson goaled to give Tumby a one point lead. From the bounce Rangers drove the ball forward where a Tumby Bay player was free kicked, however he turned the ball over and the Magpies received a free kick that resulted in a goal with only a minute left on the clock and Marble Range hung-on to win the game 7-12 to Tumby 7-7

BOSTONS HANG ON IN THRILLER

After being down 34 points half way through the final quarter, Tumby staged a remarkable comeback to get within eight points of Bostons at the final siren.

Conditions were near perfect as the game opened with Bostons kicking with the aid of a two to three goal breeze. In an even first half Tumby used the wind to greater effect to lead at half time by 10-points with Carr, Shannon and Lamshed on ball and Scott and Southern in defence all playing well for the Double Blues. Bostons blew the game wide open in the second half and led by as many as 34-points deep into the last term before Tumby staged a fighting comeback with goals to King (2) Dunn and Lockwood to trail by only 8 points. Tumby went forward again and Sorrel took a strong mark just as the siren sounded. His shot for goal fell just short and Bostons escaped with the win.

CONVINCING WIN TO WAYBACKS

In a game that at no stage reached great heights, Waybacks convincingly defeated Tumby Bay at the latter's home ground.

Waybacks were too big, too strong and too powerful. Best players for the Blues were Carr and Sorrell and these two must be developing into one of the top ruck combinations in the league. Scott at full back had another great game, Southern on his half back flank was strong in defence. Kroemer, despite his lack of size, always seems to play a courageous game and skipper Brenton Lamshed at centre initiated many attacks.

Waybacks	7.4	10.6	16.10	20.15	(135)
Tumby Bay	4.1	6.3	8.6	12.7	(79)

Best: Tumby Bay – Kroemer, Sorrell, Scott, Southern, Lamshed, Carr.
Goals: - Sorrell 3, King, S.Higgins 2, Oswald, Othams, Cave, D.Anderson, Carr.

TASMANS ON TARGET AGAINST TUMBY

Tasmans handed out a lesson in goal kicking accuracy when they scored 19 majors from 23 shots to run out winners by 54-points against Tumby Bay on Saturday.

In perfect football weather Lamshed won the toss and kicked with the use of a slight breeze. Against the breeze Tasmans led by 15-points at quarter time. The Roosters kicked the first goal of the second term and Tumby could only reply with a string of behinds before Steve Higgins managed to goal from a long kick. At half time Tasmans had stretched their lead to 31-points thanks largely to their straight kicking with 10 goals from eleven shots. After half time the Roosters produced much more of the same and ran out comfortable winners 19.4 to Tumby Bay 9.10

Tasmans	5.0	10.1	16.2	19.4	(118)
Tumby Bay	2.3	4.6	6.7	9.10	(64)

BLUES TROUNCE EAGLES TO OPEN THEIR ACCOUNT

Bottom team Tumby Bay opened their winning account for the season with a great win over fourth placed team Lincoln at Tumby Bay Oval on Saturday.

Gary Carr scored first for the Blues and Steve Higgins followed with Tumby having most of the play. A string of behinds followed before Carr scored his second for the quarter and Oswald kicked truly just on the quarter time siren to see the Blues skip out to a 26-point lead at the first change. The Eagles through Miller who was well held by Kroemer managed to get loose to score his team's first goal but at half time it was still the home side by 16-points. The Double Blues played their best football in the third term with Steve Higgins dominating on his flank and kicking four goals for the quarter to see his side in a commanding position at the last change leading 12-10 to Lincoln South 4-8. Early goals to Kroemer and Sorrell in the last term put the game beyond doubt and Tumby went on to win by 41-points. In a side in which every player contributed, Kroemer on his wing was instrumental in setting up several of Tumby's goals. Carr in ruck and around the ground played another outstanding game, Lamshed was a consistent playmaker, Sorrell was likewise in ruck, Higgins was outstanding with five goals and backmen Southern and Scott overshadowed their opponents all day.

BOSTONS FINISH TOO STRONGLY FOR TUMBY

Bostons continued their winning run when they had a 29-point win over the Blues at Tumby Bay on Saturday.

The Tigers had first use of a strong south-westerly that made conditions difficult for the players. Bostons made good use of the breeze and had a 33-point advantage at the first change. Tumby did all the attacking in the second term and with two goals a-piece to their ruckmen Sorrell and Carr and another from Shannon the Blues fought back to hit the lead at half-time by 2 points. Unfortunately for the home side they could not find the same form in the second half and the Tigers proved far too strong to win 10-14 to Tumby 6-9.

MARBLE RANGE CRUSH TUMBY

The Sunday game at Wangary between Tumby Bay and Marble Range turned out to be a very one-sided affair, as the home side dominated all over the ground.

The Magpies were on top from the very outset and had winners all over the ground. The game never seemed in doubt after half time as the Rangers piled on the goals in a dominant display of team football to completely outclass the Double Blues.

TASMANS BEAT DOUBLE BLUES

Tasmans ran out winners by six goals last Saturday when they were at home to Tumby Bay in the last minor round game on Centenary Oval.

In perfect football weather Lamshed won the toss and kicked with the use of a four goal. Tumby were finding the going tough but were at least able to score a goal through Steve Higgins and although they failed to use the wind to its fullest extent they did lead the Roosters by 10-points at the first change. The lead was short lived however with Tasmans dominating the second term to lead by 27-points at the long break. Tumby were outscored 3-3 to 3-2 with the aid of the breeze in the third term and in the last quarter it was a battle of defences as both teams appeared to tire in the heavy conditions, as the Red and Whites ran out comfortable winners 12.11 to Tumby Bay 6.11

Tasmans	1.2	8.5	11.8	12.11	(83)
Tumby Bay	2.6	3.8	6.10	6.11	(47)
